# GENERAL INFORMATION

## ➔ A GREAT TIME TO BECOME AN EXPERT IN INTERNATIONAL BUSINESS LAW

Cambodia's current rate of economic growth has made investing in the Kingdom a priority for investors worldwide. Per capita GDP increased from \$472 in 2005 to \$1,159 in 2015 according to the World Bank. Experts in international business law will be sought after by foreign and domestic firms and help Cambodia gain competitive advantages in international trade.

## ➔ AN INTERNATIONAL COLLABORATION WITH TOP UNIVERSITIES FROM AROUND THE WORLD

The Executive Master of International Business Law program has been designed by RULE and three partner universities to provide students in Cambodia with the opportunity to gain the skills necessary to thrive in the ASEAN Economic Community and beyond. Our partners include: Université Libre de Bruxelles (ULB) in Brussels, the capital of the EU; the University of Fribourg in Switzerland, the finance capital of Europe, and the University of Montreal in Canada, a gateway to North America. Professors from other European countries, China, Japan and the US will also teach in this program, giving it a truly worldwide scope.

Graduates from this program will receive two master's degrees: A globally-recognized Executive Master of International Business Law from ULB and a Master of International Law from RULE. These degrees provide a regional and international career path for our graduates.

## ➔ AN EXECUTIVE MASTER'S DEGREE

An Executive Master's Degree is equivalent to an LL.M. Degree, but is designed for students who have a few years of work experience already. However, this degree is also open to recent graduates as well. Having trained Ministers, CEOs and MPs in the past, RULE is mindful of confidentiality considerations for some students and can ensure that the academic path of a student, if requested, is kept strictly confidential.

## WELCOME FROM THE DIRECTOR

Professor Erik VAN DEN HAUTE, Director, ULB

"The Université Libre de Bruxelles is proud to offer its Executive Master of International Business Law program, developed and implemented through a strategic partnership with the University of Fribourg, the University of Montreal and the Royal University of Law & Economics.

We are confident that this new program will provide our students with the skills necessary to succeed in the international business environment of the 21st century. We hope that you will join us for this unique opportunity."

## PATRON OF THE MASTER'S DEGREE

H.E., Dr. Sok Siphana Advisor to the Royal Government

"I do not know the secret of success. But I do know the secret of failure. The secret of failure is to try to please everybody. Stick to your principles. Do not try to please everybody. Be true to yourself"
