# GENERAL INFORMATION

## A PARTNERSHIP FOR ACADEMIC EXCELLENCE

The University of Paris 8 and the Royal University of Law & Economics have partnered to offer a Master of Public & International Law program with a specialization in European Law. This master's program combines European academic excellence with a focus on regional and international public law. This program is designed to provide practitioners with essential skills, but is also open to recent graduates and those considering a career change.

## A DUAL-DEGREE PUBLIC LAW PROGRAM

The University of Paris 8 and the Royal University of Law & Economics have partnered to offer a Master of Public & International Law program with a specialization in European Law. This master's program combines European academic excellence with a focus on regional and international public law. This program is designed to provide practitioners with essential skills, but is also open to recent graduates and those considering a career change.

## FROM CAMBODIA TO FRANCE, FROM ASEAN TO THE EU

This master's program embraces professional perspectives in two of the world's most dynamic regions: Southeast Asia, the strategic location of the rapidly-developing ASEAN Economic Community, and the European Union, another regional economic and governance powerhouse. Understanding these two dynamic regions is critical for a career in public law.

## AN ESSENTIAL DEGREE FOR FUTURE LEADERS AND PRACTITIONERS

This program provides students with the critical tools needed for a career in civil service, international NGOs, such as the UN, or academia. A fundamental understanding of international, regional and comparative public law is vital for future leaders and current practitioners in their roles.

## WELCOME FROM THE DIRECTOR

Professor Vincent TOMKIEWICZ,  
Director, University of Paris 8

"In a globalized and interdependent world, concepts of sovereignty and national public order have never been so important. This Master's Degree is all the more relevant since it is dedicated to Public Law, which straddles the dynamic nexus between an International Law that is exponentially growing and national legal systems scrambling to integrate these international norms."

## PATRON OF THE MASTER'S DEGREE

H.E. Dr HANG Chuon Naron,  
Minister of Education, Youth and Sports

RULE is honored to receive support for the Public & International Law program from H.E., HANG Chuon Naron, who studied international and comparative law at RULE.

# PROFESSIONAL OPPORTUNITIES

## AN IMPORTANT MILESTONE FOR A CAREER IN PUBLIC LAW

For practitioners, including civil servants, NGO workers and public law lecturers, this program will equip you with the skills needed to be leaders in ASEAN and beyond as well as prepare you for further PhD studies.

For students, this program is an excellent opportunity to jumpstart a career in public and international law through a high-quality academic program.
